

Where can teacher educators find concise, critical, well-researched material on current and key aspects of professional learning written just for them?

## Critical Guides for Teacher Educators

Series editor: Ian Mentor

These scholarly accessible books provide critical insights into key aspects of contemporary teacher education for all of those involved in teacher education and professional practice, whether based in schools, colleges or universities.

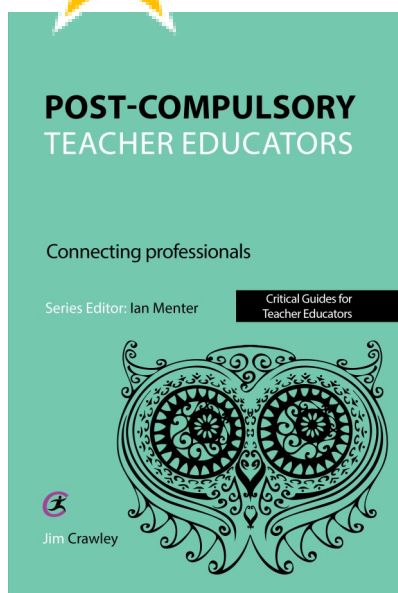

### Post Compulsory Teacher Educators

Jim Crawley

**£20.00 80 pp ISBN: 9781910391860 Oct 2016**

This book provides a call to action for post compulsory teacher education professionals, both in the UK and internationally, to unite around key principles and practices. It is an informed and passionate argument for:

- Improving the professional recognition of teacher educators
- Demonstrating how teacher education already connects teaching professionals into an engaged and collaborative professional community
- Providing strategies to enact vision through connected, democratic professionalism
