Objectives of the day

- To disseminate key messages from the [Ofsted Annual HMI 2014 Report](#) such as the finding that learners are not being well enough prepared for the world of work giving and asking the question 'How well does your curriculum match the need of your communities?'
- To facilitate question and answers to be posed by delegates to Ofsted and vice versa. (*Delegates will be asked to submit questions in advance to allow for Ofsted preparation.*)
